SASHA LARGE COFFEE TABLE

\$2,690

DESCRIPTION

A superb complement to a contemporary interior, this coffee table is part of the Sasha Collection, designed by Domenico Mula and introduced at Milan Design Week in 2017. It is characterized by a perfectly cylindrical shape. The base in wood has a lacquered bronze-like finish, while the top has a glass surface with a black lacquered finish. The result is a stunning and unique table that will create elegant reflections with the surrounding light.
