SATÈ FLOOR LAMP BY ANTONIO VENTIMIGLIA

\$4,550

DESCRIPTION

An extraordinary design of unmistakable sophistication, this floor lamp designed by Antonio Ventimiglia is characterized by a harmonious combination of shapes and fine materials that provide a striking visual and functional aesthetic. Enclosed between a cylindrical black fabric shade and marble base, the stem showcases eight Murano glass globes of different sizes decorated with an embossed "balloton" pattern. This piece requires one E27 max 100W 230V light bulb and is also available in wall and table versions, please contact the Concierge.
