SATURNO MEDIUM CHROME VASE

\$670

DESCRIPTION

An exercise in sophisticated minimalism, this vase is a superb addition to a contemporary decor, where it can be used alone or combined with other items from the Saturno Collection, to display floral arrangements either in an entryway, living room, or study. Crafted of chromed-finished brass, it boasts a decoration made of leather strips in a light brown shade, whose color and texture contrasts with the metal for an exquisite effect. This piece is also available in brushed brass and in other measurements - please contact the concierge for details.
