SAVOY TUREEN BY LE CERAMICHE D'ESTE

\$210

## DESCRIPTION

Crafted by the talented artisans at Le Ceramiche d'Este using sculptor Girolamo Franchini's original molds, this exquisite tureen makes a refined addition to any dining room. This piece is handcrafted of white ceramic in the shape of savoy cabbage, its large crinkled and textured leaves rendered in fine details. The lid is set inside the outer leaves, creating a seamless look that allows to use it not only as a serving container for soup and risotto, but also as a decorative container on a kitchen table.
