Scandola Marmi

SCACCHI BOX WITH LID

\$1,880

DESCRIPTION

Made entirely of Portoro, a precious marble from the area of Porto Venere in Liguria, this box is enriched by the striking veins of the stone with green and yellow hues in a unique decorative patterns. The box and lid have a octagonal shape and can be used anywhere in the house, even the kitchen, to store small objects and food. Either alone or paired with other small household objects by the same designer, this piece will make a statement in any home.
