SCALES S6 STEEL FLOOR LAMP

\$780

DESCRIPTION

Exquisitely designed and crafted, this steel floor lamp will create astonishing lighting effects on the surrounding space with its innovative design. Supported by a glossy base and slender stem, the magnificent lampshade is created from two intricately engraved steel sheets, skillfully hand-molded to enhance the detailed geometric patterns. Each lampshade is a one-of-a-kind creation, which may be re-molded according to taste. Delivered in three easy-to-assemble parts, this sophisticated lamp comes with a 60W halogen bulb and an energy-efficient E14 plug, included only for 220V (not included for 110V).
