SCARLETT LONG STEM TABLE LAMP

\$1,335

DESCRIPTION

Boasting an elongated shade supported on a long stem, this table lamp has an elegant and slender silhouette. The black shade is made of rigid fabric and features a truncated cone shape, while the slim stem, mounted on a circular base, has three round-shaped elements towards the end of the stem, adding a distinctive allure to this piece. The metal and brass structure is marked by a polished gold finish and is also available in other options, please ask the Concierge for details.
