SCENA OLIMPICO WALL MIRROR

\$3,575

DESCRIPTION

This striking wall mirror was entirely hand crafted by Murano glass artists and its subtle optical illusion is created by the intricate carving and grinding of the mirrored glass surface that are given a silver finish to add depths to its details. Inspired by neoclassical architect Palladio, this piece is crafted using the same techniques used in the 17th century. Bold and graphic lines give this piece a modern, art deco allure that will make a statement in any room in the house.
