**SCIANGAI/S CEILING LAMP WITH G125 TWIST AMB BULBS**

\$1,090

---

## DESCRIPTION

This exquisite ceiling lamp is part of the Sciangai Collection and can be paired with the floor lamp in the same series to create a cohesive look in an entryway, living room, or study. Modern and sophisticated, this piece is crafted of black-painted steel rods stemming out of a satin-finished brass sphere and with brass bulb holders. The cord is 1.5 meters long with two black PVC .75 wires. Class II IP20. The voltage is 220-240V/50Hz (max 12W LED E27) with six included G125 5W LED dim 2000K 250LM bulbs. White/satin brass or all satin brass finish available, as well as all brass upon request. Contract and commercial certifications available upon request.
