SCIANGAI/S CEILING LAMP

\$1,160

DESCRIPTION

A stunning and modern piece, this ceiling lamp is inspired by Mikado, a pick-up sticks game. Evoking the shape of a handful of sticks, the six steel arms of this striking ceiling lamp dynamically stem from a central brass core to spread light in any room in the house. A brass ceiling rose supports the cord measuring 1.5 meters with two black PVC wires of .75 mm. The voltage is 220-240V/50Hz with six included G155 7.5W LED dim 2700K 806LM milky bulbs (max 12W LED E27). Class II IP20. This piece is also available in all brass, please ask the Concierge for pricing with this option. For 110V bulbs not included.
