ZODIACO SCORPIUS DESSERT PLATE

\$85

DESCRIPTION

This elegant dessert plate celebrates the zodiac sign of Scorpio, with a central drawing depicting a scorpion raising its stinger, surrounded by black and white decorations and its name and months in Latin. Golden lines render the sky and help place Scorpio in the cosmos, adding a delicate glow that returns in the rim around the edges of the pieces. Part of the Zodiaco collection, this plate is presented at Milan's Salone del Mobile 2017.
