**SCORSOIO CHARM**

\$240

## DESCRIPTION

Part of the Scorsoio Collection, this whimsical charm is best showcased as a single earring, clutch keychain, or as a pendant on a multi-strand lariat necklace. Inspired by the texture of marine slipknots, this charm features a grooved cylinder in red gilded bronze flanked by rock crystals and smoky grey quartz. Two short gilded bronze stands boast an elegant round briolè agate stone and rectangular green-and-purple fluorite beads for an alluring finishing touch. Available in gold and with ribbed, sandblasted and polished finishes upon request.
