\$450

DESCRIPTION

Inspired by effortless simplicity of marine slipknots, this earring set will be a unique gift to a loved one on special occasions. Marked by the distinctive Scorsoio charm, the grooved cylinder fashioned of red gilded bronze is flanked by rock crystals and smoky grey quartz. Two dangling gilded bronze stands feature an elegant round briolette agate stone and rectangular green-and-purple fluorite beads, the asymmetry creating striking visual and textural contrast. Available in gold and with ribbed, sandblasted and polished finishes upon request.
