## SEA TURTLE ORNAMENT

\$695

---

### DESCRIPTION

This decorative object will instantly become a favorite among guests. The silver ornament is crafted in the charming shape of a sea turtle, appearing to be suspended mid-swim. All the intricate details of the shell and even the sea turtle's skin are depicted realistically, making this piece a true work of art. This object can be placed on a dresser at home but is sophisticated enough to adorn the desk in an office environment.
