SEBASTIAN GREEN SOFA

\$11,060

DESCRIPTION

Boasting a modular silhouette, this sofa will complement any classic, modern, or contemporary living room. It comprises a poplar wood structure with a crossed elastic belt spring system. The padding features 100% European goose feathers and 10% down with multi-density and highly-resistant polyurethane and memory foam. This piece is entirely covered with a removable upholstery of velvet fabric boasting a refined green hue.
