Nicola Falcone

SECRET BOWL CERAMIC BY FALCONE HARTMANN

\$1,340

DESCRIPTION

A noble and elegant piece inspired by 1920s Surrealism, the Secret Bowl is a striking piece by Falcone Hartmann. The handle of the soup bowl is a golden hand that sits on top in a surreal and stunning golden contrast to the deep blue of the item. The ceramist is from Montelupo Fiorentino, an area with much history.
