SECRET VI VASE

\$1,430

DESCRIPTION

This unique piece was designed by Vincenzo D'Alba and is part of the Secret collection, which is comprised of modern vases with striking color block decorations and an oval shape. The delicate curves of this piece are painted in a rich matte orange color, while the surface is etched with the stylized images of a woman's profile, an eye, and an open hand. A simple rectangle in black highlights the center of the piece. Unique and elegant, this functional object will be a precious addition to any decor.
