SEDICI DRAWER SIDEBOARD

\$8,980

DESCRIPTION

This polished sideboard reinterprets the concept of traditional storage into a captivating design that will add a one-of-a-kind functional accent in both a living room and bedroom decor. Supported by a distinctive, natural-finished wooden base, the top structure features a uniquely carved design with a water-based white finish with two front push-open panels for the drawers.

Handcrafted of solid wood, the parts are assembled with 45-degree cuts to create an homogeneous, uninterrupted surface. A piece with great visual impact, this sideboard is available in a wide range of water-based colors.
