SEENU GOLD VASE BY VITTORIO LOCATELLI

\$270

DESCRIPTION

A captivating decoration adorns the surface of this superb cylindrical vase designed by Vittorio Locatelli that was crafted of mouth-blown glass with black triple thickness and fired twice at 560Â°. The handmade silk-screen design is encased in transparent glass to preserve the uniqueness of its organic surface raised on 24k gold. An opulent yet sophisticated piece, this vase will enrich the look of a modern or classic interior in any room in the house.
