SEGRETISSIMI SET OF TWO BLUEMARINE VASES

\$730

DESCRIPTION

Part of the Segretissimi Collection, this exceptional vase set boasts a highly modern aesthetic while remaining true to traditional glass methods. The set, which consists of a teardrop-shaped vase (14 x 22cm) and bulb-shaped vase (14 x 14cm), is distinguished for its soft curves and mesmerizing blue gradient which evokes the colors of the sea. The opaque finish of the Murano glass enhances the smoky color effect and gives the piece a timeless character. Ideally showcased in a light and airy room in order to best appreciate the warm glow cast when exposed to natural light.
