## SELF PORTRAIT CORAL WALL MIRROR

\$320

### DESCRIPTION

Part of a collection of wall mirrors whose shape replicates the silhouette of a fan, this piece will be a charming and feminine addition to any decor. The lightness of the wrinkles of paper fans are impressed in the wood through the work of expert Italian carvers, while the mirror is made from a sheet of galvanized steel. The coral finish of the structure is combined with the natural finish of the base for a balanced effect. The finish of the steel is in gold. A base is available to set the piece on a table.
