SEN-SU CHAIR WITH CUSHION

\$1,020

## DESCRIPTION

A striking showcase of refined craftsmanship, this chair is part of a series whose seats and backrests are marked by a stunning sun ray-like design crafted of tubular steel rods. This piece is completed with an indoor-outdoor removable fabric cushion padded with soft and water-resistant Dry-Fly foam, that is fixed to the frame with a magnet. For options of customization consult the Concierge.
