SERENISSIMA ORO MULTICOLORED CARAFE

\$260

DESCRIPTION

This superb carafe will be a magnificent object to display on a table when serving chilled drinks, especially when combined with the Serenissima Set of 6 Gold Glasses for a cohesive effect. The volumes of this piece with its sinuous handle and spout are crafted of mouth-blown glass and decorated by hand with multi-colored spots and black lines, liberally drawn onto the surface illuminated with pure gold leaf applied while the glass is still hot.
