SERENISSIMA SET OF 6 BLUE GLASSES

\$410

DESCRIPTION

Part of the Serenissima Oro Collection, this set of six glasses is a joy for the eyes while providing a versatile vessel to serve drinks during a seated dinner or cocktails, enlivening a modern interior with charm and colors. Entirely handmade with mouth-blown glass using traditional methods, the effect is a unique combination of blue tones marked with black lines and precious gold leaf applied when the glass is still hot. Each piece (8 x 8 x H 11 cm) is unique, with dynamic motifs that cannot be repeated in exact patterns, due to the artisanal techniques used.
