SERPENTINE MARTINI GLASS

\$180

DESCRIPTION

A stunning addition to an elegant home, this martini glass is part of the Serpentine Collection. This series was inspired by the sinuous curves of snakes. The upside-down glass cone is supported by a stem accented with a snake coiling around it, rendered in exquisite detail by master glassmaker Simone Crestani and inspired by 18th century prints. Both soothing yet dangerous, charmer yet lethal, this snake martini glass adds a stunning accent to any table.
