SESÉ TABLE LAMP BY CARLO GUGLIELMI

\$2,020

DESCRIPTION

A table lamp with a contemporary and linear design, ideal for lighting the bedroom, the living room or the entrance hall. The lamp has a cylindrical lampshade in metal that has been painted white, which contains two internal LED boards. The lampshade is thus transformed into a real two-way projector of light. A unique and original furnishing accessory. The lamp is also available in black and gold.
