## SESTANTE SUSPENSION LIGHT

\$1,530

### DESCRIPTION

Distilled into its purest form, the Sestante suspension light delivers a bright illumination in a minimalist design characterized by precision and perfect proportions. The dynamic structure comprises three energy-efficient LED tubes enclosed between wooden caps, suspended with metal cables to create a visual transition of lines and light streams. Quality and innovation merge in this elegant piece made with sustainable materials that feel at home both as standalone lighting pieces and in arrangements for loft and office spaces.
