SET #4 BLACK AND WHITE PLATE AND CHARGER

\$140

DESCRIPTION

This bold set features patterns in the classic combination of black and white glazes, creating a striking contrast with the solid black of the under-plate. This set is elegant when standing alone or it can be paired with other settings in the collection for a striking look. Part of the black and white collection of 10 table settings comprised of one charger and one deep plate, this set will bring a touch of sophistication to any home.
