SET #6 BLACK AND WHITE PLATE AND CHARGER

\$140

DESCRIPTION

This set, comprised of one solid black under-plate and one top plate featuring a black and white checker pattern, will make a sophisticated addition to any table top. This set can also be paired with other similar ones in the black and white collection designed by Jean-Christophe Clair. These unique pieces are handcrafted by skilled artisans with clay from Etruscan caves. The contrasting colors allow the eye to move around its surface for playful effect, enhancing a contemporary or modern dining room or kitchen.
