**SET OF 12 BEIGE LEATHER OVAL PLACEMATS**

\$475

## DESCRIPTION

Handmade with care by local artisans using natural materials, this refined placemat will bring elegance to any surface. Crafted of leather in dark brown with contrasting stitching along the rim, this placemat can be used both indoor and outdoor on a dinner table paired with modern and more traditional tableware. The timeless oval shape and soft, luxurious leather make it also suitable to be placed under heavy sculptures, candelabras, and any other decorative object, to protect furniture from stains and scratches.
