SET OF 2 CAREZZE CANDLES

\$110

DESCRIPTION

This candle is poured by hand in a white glass container with a glossy white finish printed with the Festina Lente Home logo in black, inspired by the symbols of the crab and the butterfly first appeared on gold coins minted for emperor Augustus in ancient Rome. The capacity of 220 gr (7.7 oz) makes for a total burning time of 45-50 hours. The candle comes in a cardboard container with a metal pressure lid. The wax is 100% pure soy wax with no GMO. All the fragrances are vegan, cruelty-free, and phthalate-free. The wick is in cotton and paper. The scent Carezze brings to mind a warm bubble bath and berries. In it, vanilla and berries create a feminine and sumptuous fragrance, evoking a warm bath enjoyed after dinner, with the flavor of the last spoonful of a raspberry dessert still in the mouth. As you slide into the tub, under tiny white bubbles, the room swells with fruity steam and thoughts evaporate in a warm cloud. Olfactory pyramid: Head: bergamot, orange blossom; Heart: red rose, raspberry; Base: vanilla, musk.
