SET OF 2 CASA NOIR CANDLES

\$110

DESCRIPTION

Freshly done laundry has the reassuring smell of home ("casa" in Italian). Through the combination of notes of white musk, lemon flowers, white rose, and iris this candle in pure soy wax manages to spread an imaginative fragrance that is entirely cruelty-free, phthalate-free, and vegan. An elegant matte glass container with the brand logo printed in silver to match the cardboard box houses the wax enhancing the design's luxe look. The capacity of 220 gr makes for a total burning time of about 50 hours ensured through the cotton-paper wick.
