Festina Lente Home

SET OF 2 PRIMA LUCE CANDLES

\$110

DESCRIPTION

This candle is poured by hand in a white glass container with a glossy white finish printed with the Festina Lente Home logo in black, inspired by the symbols of the crab and the butterfly first appeared on gold coins minted for emperor Augustus in ancient Rome. The capacity of 220 gr (7.7 oz) makes for a total burning time of 45-50 hours. The candle comes in a cardboard container with a metal pressure lid. The wax is 100% pure soy wax with no GMO. All the fragrances are vegan, cruelty-free, and phthalate-free. The wick is in cotton and paper. The fragrance Prima Luce (which means Dawn in Latin) is inspired by Marta's childhood vacations on the Amalfi coast, among sunny pine forests and blood oranges. On a base of cedar wood and pine, the notes of aromatic herbs and citrus are reminiscent of summer afternoons. Under the shade of Italian stone pines, you return home after a day at the beach, peeling an orange and eating it, while the shade of the trees fills up with the songs of cicadas. Olfactory pyramid: Head: orange peel, bergamot; Heart: orange blossom, thyme; Base: cedar wood, stone pine needles.
