SET OF 2 FLIGHT COLLINS GLASSES

\$245

DESCRIPTION

The Flight Tall glasses from Fferrone are glassware essentials that are great for serving water, beer, soft drinks, and juice as well as serving cocktails and alcoholic drinks. These drinking glasses invert tradition with intricate detail on the interior of the glass. Made without the use of molds and created with the finest quality Borosilicate glass, the Flight Collection is innovative in its use of materials. Each piece is handcrafted by master glassblowers of fluted Borosilicate glass.
