SET OF 2 GIULY DINING CHAIRS

\$575

DESCRIPTION

Evoking the image of a French terrace or a patio in Tuscany, this set of chairs has a classic design reinterpreted with a metal frame and woven bamboo details. Light and versatile, the slim, cylindrical legs support the generous seat, whose curves enhance the elegant pattern of the woven bamboo. The tall backrest provides functional support and visual balance to this rustic yet refined chair that makes a welcome addition to any living room, kitchen, or patio decor.
