DESCRIPTION

Marked by fluid and harmonious lines, this glass from the Vortex series is a must-have addition to a traditional or modern kitchenware collection.

Fashioned of mouth-blown Murano glass with 24k gold leaf, this glass boasts a swirling motif in cobalt blue that envelops the clear crystal, tumbler-shaped body. The Vortex Collection includes other delicate colors suiting all occasions and decors. The small imperfections, chromatic variations, and modest differences between pieces are characteristic traits of the product.
