\$200

DESCRIPTION

Simple yet striking, this mouth-blown Murano glass is part of the Vortex Collection of glasses splendidly colored with a swirling motif in different hues that adds elegance and charm to each piece. The crystal clear glass is enriched with 24K gold leaf that infuses a shimmering touch, while the enveloping green swirls add a bright accent. Given in a set as a wedding or housewarming gift, this glass will be a precious addition to any cabinet bar or dining table. Small bubbles, created by gases during the melting process, are a mark of the handcrafted and unique nature of each piece.
