**SET OF 2 GREEN BUGNATO HIGH GLASSES BY IL VETRO DI EMPOLI**

\$150

## DESCRIPTION

Whether to serve water or chilled drinks during a warm summer dinner on a patio, this set of two high glasses will make a stylish statement on any table. Handcrafted of green mouth-blown glass, the classic cylindrical shape is enlivened by soft depressions skillfully made by hand using the bugnato technique to give the surface a sensual quality. Every glass is unique as it reflects each artisan's sensibility. This glass is designed to be paired with the bottle and low glasses featuring the same color and surface that embody the most classic tradition of Empoli glassware.
