SET OF 2 MARE FUXIA SERVICE PLATES #15

\$190

DESCRIPTION

Vibrant and bold, this striking set of plates is a versatile addition to a traditional or minimalist kitchenware collection. The white, round porcelain plate is brought to life with hand-applied colored accents: a delicate, dark blue edge highlights the solid fuchsia smoky gradient along the interior, the delightfully irregular application of colors creating a dynamic and wholly original canvas. Available in other colors, please contact the Concierge for details. Size: 31 cm
