SET OF 2 MATTINA TATTOOED CANDLES

\$140

DESCRIPTION

These two 350gr. candles each are poured by hand using 100% of natural soy wax and cotton wick and infused with rum and honey scents. The surface of the candle is decorated by Alice Giavazzi, aka La Peppa Tencia, a Milanese tattoo artist who individually applied the paper-printed decor exclusively design for Festina Lente Home with the crab and the butterfly. The candle rests on a wooden stand entirely handmade in Catskill Milan's woodworking lab.
