SET OF 2 MIXED LARGE GLASSES

\$190

DESCRIPTION

This beautiful champagne glass with fluted and smooth glass makes a unique and beautiful alternative to classic stemware. With a special technique, the Mixed Collection combines two types of glass to create this modern collection. Retro yet contemporary it is perfect for everyday beverages, cocktails, or beer. The Mixed will enrich any occasion. Made without the use of molds and created with the finest quality Borosilicate glass, the Mixed Collection is innovative in its use of materials.
