SET OF 2 TORSÈ PIOMBO SMALL BOWLS

\$105

DESCRIPTION

Part of the Torsè Collection, this set of two small bowls can be used to serve a variety of dishes for any occasion and can be combined with other items in the same series for a colorful table. Entirely handcrafted, these two pieces are tinted with a sophisticated gunmetal-grey hue that strikingly complements the texture of the surface, obtained with a series of parallel grooves that create a wave-like, twisted effect.
