SET OF 2 VORTEX GLASSES IN PURE GOLD/WHITE

DESCRIPTION

Part of the Vortex collection, this delicate design is modern and fresh, while also adding to any occasion the luxury of exquisite craftsmanship. Made of mouth-blown Murano glass, this piece has a conical shape (6 cm diameter at the base and 8 cm at the mouth). On its transparent surface, a delicate gold and white ribbon creates an ethereal and dynamic effect that is poetic and evocative, enlivening an informal dinner or a summer aperitif. Due to the handcrafted nature of the production of this glass, there might be small imperfections and slight variations from piece to piece.
