SET OF 2 VORTEX GLASSES IN RED/PURPLE

\$190

DESCRIPTION

This transparent Murano glass was mouth-blown in a conical shape that measures 6 cm at the base and 8 cm at the mouth. The simple silhouette of this piece is adorned with a ribbon that curls around it to create a stunning decoration in rich red and purple hues. The effect is fresh and elegant and will be suitable for a summer aperitif, an informal dinner, a toast among friends, or even to display a flower. The handmade nature in the production of this glass might create small imperfections and chromatic variations, to be considered natural characteristic of this item.
