SET OF 3 ALUMINUM NESTING TABLES

\$3,960

### DESCRIPTION

This charming set of side tables was designed by Roberto Santi and features three pieces, all with a 60cm diameter and different heights (36 cm, 42 cm, and 48 cm) that can be combined to create a variety of configurations. Their wooden structure is available in two finishes: natural or with black oil. The top is in solid aluminum that was etched in three different decorative patterns (two abstract and one geometrical). Dimensions and finishes are customizable, please ask the concierge for details.
