SET OF 3 MUCADORE PLATES #2

\$170

DESCRIPTION

This set of ceramic plates comprises three pieces with the same motif in different sizes and shapes: one squared with curved edges, and two circular ones. The exquisite decoration takes inspiration from the traditional "mucadore", an elegant flower motif on a black background typical of Sardinian women's head foulards. The plates measure (in cm) 5x20x5, Ø 28, and Ø 19.
