### SET OF 4 TIGRE NESTING TABLES

\$5,280

#### DESCRIPTION

This exquisite set comprises four squared side tables. Their dimensions are the same, except for their heights, since one pair is 40 cm high and the other is 44 cm high, allowing an endless possibility of combinations. Their structures in ash wood are finished with a sophisticated burnt black polish that strikingly complements the aluminum sheets that adorn their tops. The aluminum is exquisitely etched with a series of abstract patterns that give the set a unique and contemporary allure. Dimensions and finishes can be customized, please ask the concierge for details.
