SET OF 6 NAPKIN RINGS

\$960

DESCRIPTION

This elegant set of six napkin rings was crafted of brass and features six separate designs, each depicting a different leaf. These sophisticated additions to a dining table were crafted and etched by hand, according to traditional methods and will bring a charming touch to any home. The surface of each piece was given a rustproofing treatment so that these one-of-a-kind accessories can be long-lasting companions to dinners and parties.
