BIRDS OF PARADISE WHITE DINNER PLATE SET OF 6

\$465

DESCRIPTION

Part of the Paradise collection introduced at Milan Design Week 2018, this set of six ceramic plates will create a stunning decoration on a table. Each piece depicts a different bird of paradise perched on the grey outline of a palm leaf. Evoking the splendor and elegance of nature, the birds are rendered in all their magnificent colors and variety of plumage. These plates are a celebration of masterful craftsmanship and sophistication and will be a precious addition to any home and a superb gift.
