SET OF 6 PURO ANGORA STEM GLASSES

\$260

DESCRIPTION

This elegant and timeless set will enliven the look of a home on any occasion, adding a pop of amber color to a monochromatic table, or complementing a colorful setting. The six stem glasses that make up the set are part of the Puro collection, distinctive for their exquisite handmade craftsmanship, the smoothness of their surface, and their minimalist silhouette. Either combined with items of the same color or mixed-and-matched with other hues and textures, this set will be eye-catching and refined.
